

Świdnica, 24.08.2015

To whom it may concern

Eurobent Sp. z o.o. the manufacturer of Geosynthetic Clay Liners declares that company P.G.P Poushesh Gostar Pasargad Pjsc is our official representative in terms of selling our product and installing them. We believe that their strong track record and current activity with our company guarantees solid and stable position on Iranian market.

If you require any further question please do not hesitate to contact me.

Yours faithfully
